Spanning the beautiful, rolling landscaped countryside of Monmouthshire and Torfaen, Llandegfedd Reservoir is a world away from the relentless pace of modern life. The entire site has been designated a Site of Special Scientific Interest due to its richness in wildlife.

Our new Visitor Centre has a stylish restaurant with panoramic views of the reservoir and watersports activities. It's open 7 days a week for delicious breakfasts, lunches and afternoon tea.

As well as sailing and fishing, visitors can take a stroll or a picnic along one of our walking trails, explore the woodland and enjoy the array of wildfowl that visit and reside around the reservoir in a tranquil environment.

Wrth galon golygfeydd bryniog bendigedig cefn gwlad Sir Fynwy a Thorfaen, Cronfa Ddŵr, Llandegfedd yw'r lle perffaith i ddianc rhag prysurdeb y byd modern. Mae'r safle cyfan wedi ei ddynodi'n Safle o Ddiddordeb Gwyddonol Arbennig diolch i gyfoeth y bywyd gwyllt sydd yno.

Yn y Ganolfan Ymwelwyr newydd mae bwyty hyfryd sy'n cynnig golygfeydd panoramig dros y gronfa a'r gweithgareddau ar y dŵr. Mae'r bwyty ar agor bob dydd am frecwast, cinio a thê prynhawn blasus dros ben.

Yn ogystal â hwylio a physgota, gall ymwelwyr fynd am dro neu fwynhau picnic wrth grwydro'r goedwig a chadw llygod yn agored am yr amrywiaeth o adar y dŵr sy'n ymweld â'r gronfa ac yn byw ar heddwch ei glannau.
